Operational Standards

Two is one and one is none.

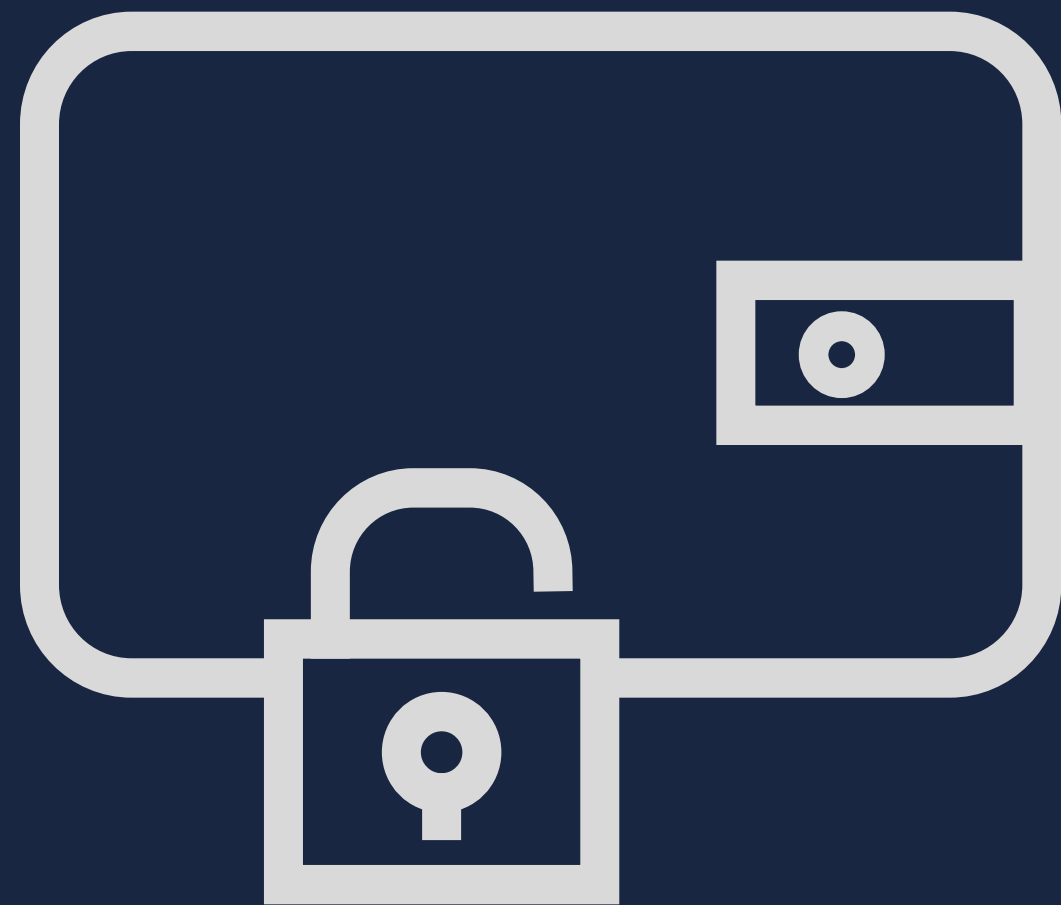

- US Navy Seals

backup rule of three

- If you have one backup you have none, if you have two you have one.
- 3 copies of anything you care about
- 2 different formats
- 1 off-site

wallet safety

- Never leaves a significant amount of funds on an exchange
 - Brain
 - Paper
 - Hardware
 - Trezor
 - Ledger
 - Opendime
 - Software

creating an airgap

- No Internet connection
- Virtual Machine / Clean OS image
- Digitally sign transactions
- Internet connected printers can be compromised

thank you
